His addition will substantially add to our capability for dealing with complex restructuring assignments. We value his counsel and experience and look forward to working with him."

About Recovery Partners Investments Limited

Recovery Partners Investments is a transactions platform capable of efficiently identifying, valuing, warehousing and processing eligible "off-strategy" assets that allows for high rates of throughput while also featuring a low volatility/high risk-adjusted returns profile for these "assets in transition". This platform is designed to intermediate investment flows between suppliers of "off-strategy" financial assets and large scale institutional investors, principally pension funds, which are seeking diversification and higher risk-adjusted returns for the portfolios under their management.

Recovery Partners has attracted a number of blue chip names to participate in this effort. Our Chairman is Dr. Grant L. Reuber, the former Federal Deputy Minister of Finance and President of the Bank of Montreal.
